

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the Commonly Owned Patent Application and Issued Patents, as presently shortened by any terminal disclaimer, in the event that they later: expire for failure to pay a maintenance fee, are held unenforceable, are found invalid by a court of competent jurisdiction, are statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, have all claims canceled by a reexamination certificate, are reissued, or are in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 or Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The Commissioner is hereby authorized to charge the amount of \$130.00 for the terminal disclaimer fee to the Attorney firm's credit card. A duplicate of this sheet is enclosed. A copy of PTO Form 2038 is enclosed for this purpose.
